Competition: Fossil Creatures

1st Place: Paul Nonn

2nd Place: Jennifer Herron

Speaker: Stephanie Sobczak

Fluorite from Southern Illinois

Fluorite found with metals (galena, pyrite...) and other minerals (calcite, quartz...)

Other places stunning fluorite can be found : Mexico; Durham, UK; Northern Cape Province, South Africa; Auvergne-Rhone-Alps, France; Fujian Province, China; Annaberg, Germany.

A few of my own that has phantoms, zoning, multicolored, twinning...
