March 26, 2019**

New People:

Joyce
Anna
Randy
Rena - Bernie's Rock Shop

Lab:

Full class. All were able to finish at least one piece.

Budget: Bob T.

- Balance of \$31,000. Presented idea of opening a CD.
- Shows - we basically break even when we open the doors.
- When looking at Show expenses we really do not need all the money sitting in savings. We may want to put together a committee for field trips and educational stuff.
- Proposed lab budget for this year: \$3,443. We are still \$1,000 ahead. Approved

- Proposal - \$3,200 earning no interest. Move \$800 or so into an interest account. (to be discussed at Board Meeting)

- Proposal - Donate \$500 to the museum. Approved

Other News:

Scott Olson volunteered to head New Member and Field trip committee. May attend next Board Meeting.
