

MGMC: Annual Picnic  
August 6, 2017

Picnic held at Lake Farm County Park, Shelter #2

We had a good turnout, with the rain holding off for the duration.  
There were great selections to choose from for the potluck.

The gem and mineral selections were very good, between the Club tables and Joe's table.

Competition:

1st Place: Kevin (quartz)

2nd Place: Bob (fossil oyster shell)
